ALTERNATOR COMPLETE

ALTERNATOR PRODUCTION NO. TO SERVICE NO.	PRODUCTION	PROD. PULLEY	SERV. ALT.	SERV. PULLEY	AMPS
--	------------	--------------	------------	--------------	------

**ALTERNATOR COMPLETE**

**NOTE: Service Alternators Consist of an Alternator and Pulley. In most cases a double grooved pulley type may be used as a service replacement for a single groove type; if not desirable, the pulley from the original unit may be transferred to the new alternator.**

**NOTE: All Alternators are stamped with a production assembly number which may or may not be the serviced Alternator. Listed below is the Alternator stamped production number cross-reference to the applicable service number. The SERVICED PART NUMBER must be ordered in all cases.**

**NOTE: LEECE-NEVILLE ALTERNATORS and REGULATORS and COMPONENTS are not Stocked in Chrysler Parts Depots. Order replacement parts for these units by description from your nearest Leece-Neville Distributor or Leece-Neville, 1374 E. 51st Street, Cleveland, Ohio 44103**
