GOODYEAR'S NATION-WIDE NO LIMIT ROAD HAZARD AND QUALITY GUARANTEE FOR PASSENGER TIRES

Every new passenger tire of our manufacture, except racing tires, bearing our name and serial number, and not branded or stamped "Second," is guaranteed during its original tread life to be free from defects in workmanship and material and to withstand normal road hazards without limit as to time or mileage. "Normal road hazards" for the purpose of this guarantee consist of blowouts, fabric breaks and cuts encountered under normal driving conditions which render the tires unserviceable, with the exception of ordinary repairable punctures, but do not include such causes of loss or damage as fire, theft, wreck or collision, tire injury caused by running flat or wheel misalignment, or any willful abuse.

Passenger tires used on trucks are excluded from this guarantee.

The Road Hazard portion of this guarantee is applicable only in the U.S.A. and Canada. If our examination shows such tire has failed under terms of this guarantee, we will, at our option, either repair or make a reasonable allowance on the purchase of a new tire based on the then current "Goodyear Price." Any such allowance on a tire will be based on the original tread depth remaining.

This guarantee is made for the exclusive benefit of the owner actually using these products, is not assignable, and no claim hereunder will be recognized unless submitted on our standard claim form duly filled out and signed by the owner.

This guarantee does not in any way extend to consequential damage resulting from either a defect or road hazard injury.

There is no other guarantee, warranty or liability, express or implied, applicable to these products. No representative has authority to make any representation, promise or agreement except as stated herein.

Amount of Federal Excise Tax (not subject to price decline rebate) is shown separately and should be added to unit price to determine total price.

State Sales Tax, if any, additional.

This Price List cancels all previous lists on items named herein and is subject to change without notice. This list does not constitute an offer and we reserve the right to reject any or all orders.

All shipments will be billed at prices (including amount of Federal Excise Tax) in effect on date of shipment.
